Just for the fun of it...

The 1987-1988 school year was filled with students and staff involved in daily activities just for the fun of it. Although, at times, students were not ready to admit to the fun times had during class all would say life wasn't too bad. Fun times were had during dances and sports events.

School began with new staff and a new arrangements for junior

high. Time passed quickly and it seemed only days until Christmas break arrived. Students returned in two weeks to prepare for semester exams. The second semester went by quickly and it was time to get ready for final exams.

All these things helped students have a year of activities just for the fun of it . . . just for the thrill of it.

Just for the thrill of it...

"SPECIAL MRS. B."

When writing about this lady, it was hard to know where to start,
So, I went to all her friends, for thoughts from their hearts.

When asked for just a few words to pull together for this,
Most of them sent back a very long list.

From all of the thoughts presented to me,
Following are just a few describing "Mrs. B."

Love, dedication, inspiration, and sharing,
A "SUPER TEACHER", good friend, and above all, caring.

She is trustworthy, dependable, gentle, yet tough,
Everyone said she helps them when the going gets rough.

You could count on her to bring us goodies to eat,
Roy's cornel corn was always a special treat.
Celia's talent for crafts and painting is hard to equal.
Almost as soon as one is finished, she comes out with a sequel.

Throughout the years, the students were her principle concern,
She provided the knowledge, so they could all learn.

The students will remember her fairness a long time from now,
Her commitment to teaching, deserves from us, a big bow.

Whenever a special prayer was needed, to her, you just had to coll,
Then, she would send it on a "Hot Line" to GOD.

Everyone's lives she has touched through the years,
We'll miss her laughter and kindness, with a few tears.

Now the time has come for her to retire, and from the school part,
But, we want her to know that for her, a spot will always be re-
served in our hearts.

By: Marty Heck

Through many years of dedication Mrs. Celia Beougher served the students and community of the Mendon-Union district. Mrs. Beougher's talents were appreciated in many ways. The learning disabilities program got its start through the special efforts of Mrs. Beougher. Her dedication and the love she gave to her students and colleagues will be missed for many years.

Clipper Staff 1987

We hope you enjoy the 1986-1987 edition of the Mendon-Union Clipper. Hard work and dedication went into producing a fine product. We thank each

staff member of their hard work and hope that you find our year-book one of the best ever.

MUHS ADMINISTRATION

The administration at Mendon-Union is dedicated to the students, staff, and community which they serve. From the daily chores of school operation to the planning of special events the administrators gave each their special attention. Decisions were made which shaped the atmosphere of the educational system making Mendon-Union a better place. Walls took on a special look as the administration oversaw painting and art work. Programs were planned which enlightened students life. These tasks and many more filled the days and evenings of our administrative staff.

Work never ends for Mr. Schacht.

Tantalizing aromas awaited students and staff as they entered the school in the morning. Dora and her staff treated those at Mendon-Union with special care. Students and staff could order special foods and the cafeteria staff accommodated each request. A special thank-you goes to the dedication of Dora and her staff.

Bus driver: Kenny John

Bus drivers: Larry Giese and Irene Thatcher

A special cargo was carried to and from the Mendon-Union school by the bus drivers at Mendon. Kenny and his drivers transported the students to and from school with special care. Thank you to the drivers. Although not pictured, Elaine Steiner also carried her cargo with great care. Substitutes Mary Kill and Jane Barber filled in when the regulars were unable to drive.

The elementary years are where children lay the foundations of their education. Students learn the basics of reading, writing, and arithmetic. School isn't all books and no fun. Special activities such as Halloween dress-up day, math-

athons, right-to-read activities and World Book readathon add to the excitement of elementary life. Elementary children prepare for the continuation of school during junior high.

Jr. High Life

Junior high is a time of new beginnings. Expectations are high as students prepare for their high school years. Students are learning to become more responsible about themselves and their actions. More is expected from individuals as they prepare to

build upon the basics learned in elementary and junior high. These years can be trying, for students experience many changes. With cooperation these years can be fun and enjoyable for students who learn just for the thrill of it.

Boy's Basketball

Mr. Woeste and his junior high boys worked hard on the basics of basketball as they proceeded through their season. Some skills learned were passing, defense and offensive patterns, and teamwork. Boys learned to work together toward a common goal. Although the scores seldom tipped in Mendon's favor the boys grew as athletes and ended the season winners.

Another year has passed through the halls of Mendon-Union and through the lives of their students. It was a year filled with excitement and good times. Students shared common memories of hectic days which started with crawling out of a comfortable bed and ended with the three o'clock bell.

Scholastically the school year was successful. The scholastic bowl team proved themselves to be stiff competitors. The marching band showed everyone that they deserved the recognition given a fine band. The choir demonstrated their fine talents through enjoyable concerts. Sports played a key role in making our school year a profitable one.

**CONGRATULATIONS
TO THE
1987
GRADUATING
SENIORS**

From the beginnings in kindergarten through the end of high school, this year's senior class saw many changes. Little boys and girls, dependent on others, grew to be self-sufficient men and women. Clothing styles changed from cuffed blue jeans and tennis shoes to faded jeans and unlaced high tops. Hair styles shortened for the boys and became more free-looking for the girls. By the time their senior year came, sculptured hair, jams, and "old-fashioned" shoes were the new fad.

Seniors anxiously awaited their day. Twelve years had passed from that first day in first grade, and on May 31, 1987 this year's senior class became a part of Mendon-Union's memory. These students had

spent many years preparing for their futures.

From 180 days left in their high school career to graduation many decisions faced them. Senior pictures had to be taken, announcements ordered, senior memory books filled in with autographs and interests before this eventful year ended. These individual activities were enjoyed by all.

Class meetings were held where seniors chose the class motto, song, flowers, and colors. As the year wound down decisions had to be made as to whether or not graduates were going to college or finding a job. All these things ended an eventful and fulfilling high school career.

If You Think . . .

If you think you are beaten, you are,
If you think that you dare not, you don't,
If you'd like win, but you think you can't
It's almost certain you won't.

If you think you'll lose, you've lost,
For out in the world you'll find
Success begins with a fellow's will —
It's all in the state of mind.

If you think you are out-classed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the man who thinks he can.

A LITTLE BIT OF JAPAN

Natsuko Sato

Natsuko Sato came to Mendon from a suburb in Tokyo, Japan. While attending Mendon High she became involved in student life. She became a part of the choir and the basketball team. Although Natsuko was quiet she enjoyed the excitement of being a fan at sporting events. Natsuko met many new people and made friends with them. Her difficulty with the language didn't seem to stop her from fitting into school life. While our new found friend was only here a short time many students and staff accepted her as one of our own.

Special times at Mendon highlighted another exciting year. Student life was made more enjoyable with Halloween dress-up. Participants dressed in their favorite costumes to entertain anxious overlookers. Homecoming festivities made student life more interesting. Queen candidates, escorts, and the student body became involved in the fun. Juniors honored their senior guests with a masquerade party. Giant masks transformed the gym into a ballroom. The special times ended with the senior's final farewell. Graduation drew another year to a successful close.

As 1987 began students cast their ballots for the 1987 Homecoming court. On January 20 anxious junior and senior high students cast ballots for the queen and her attendants. Afternoon announcements revealed the Homecoming royalty: Teresa Now, Tracy Davis, Pam Williams, Paula Stant, Heidi Laux, and Jennifer Fox. The following weeks were filled with anticipation. Students anxiously awaited the announcement of the senior girl would reign over the dance on Saturday night.

Spirit week is a week full of fun and excitement to raise the school spirit of the student body. The cheerleaders, both J.V. and Varsity, spent many Saturday afternoons and endless hours after school organizing this special week.

The week started on Monday with "Sweat day" and the motto "Make the Wildcats sweat."

On Tuesday students saw the best of the worst, as the student body participated in Nerd day. Also the upperclassmen bought the freshman and sophomores as their personal slaves.

On Wednesday, the Hawaiian in all of us came out as we saw the best of the beach bums. Also, the freshman and sophomores had their chance at revenge as the upperclassmen were auctioned off as slaves.

Thursday was the day of the Varsity girl's tournament so everyone dressed in their Sunday Best.

On Friday, everyone showed their school spirit by dressing up in their best blue and gold. Everyone participated in the musical chairs either as an active participant or as an observant watcher. Later that day, the student body participated in the pep assembly, organized by the cheerleaders. Here, names were drawn to cream the coaches with whipped cream filled plates. The whipped cream filled plates were rubbed on the faces of our favorite coaches. How did it feel Mr. Nuttle, Mr. Humerickhouse, Mr. Woeste, and Mr. Rasawehr? Was it a sticky situation?

Only Julie knows where the camera is.

But mommy told me never to let it go to my head.

Ghouls, ghosts, goblins, and various other costumed individuals crowded into the gymnasium to frighten and entertain an anxious audience. Students who wore costumes paraded on the gym floor while a panel of judges chose the best costumes. The class with the most participants was awarded a delicious cake. Halloweeners in grades seven through twelve were judged as a group. Overall winners for the best costume were cone-heads Nicole Brown and Valerie Engle. Farmer Brown, Molly, and Bossie, alias Holly Steiner, Brian Boroff, and Puka, took second honors, while Mike Dicke, dressed in drag, copped third place.

HALLOWEEN FUN

Midnight Masquerade

On May 16th the cold dark walls of the Mendon High School Gym were transformed into a "Midnight Masquerade." The gym was filled with the sound of today's recent hits, played by the Z-Man. Everyone enjoyed getting down to that high tech sound. At midnight the dance was history and everyone went to the Lake Front Racquet and Health Club in Celina, until six o'clock A.M. They then headed home to bed for the rest of the day.

HIGH SCHOOL

Sports at M.U.H.S.

Sports at Mendon-Union was disappointing in many ways; however, many aspects were positive and fulfilling. Although the final scores left Mendon on the low side many times, athletes grew as individuals and team members. Volleyball players, basketball players, and softball players worked hard

to tip the scales in their direction. Many times the opponents gained the favor, but that didn't stop our players from fighting to the end. Team spirit and school spirit ran high throughout each season. We at Mendon-Union salute our athletes.

IF THE SHOE FITS

Please don't curse that boy down there;
He is my son, you see;
He's only just a boy, you know,
He means the world to me.

I did not raise my son, dear fan,
For you to call him names;
He may not be a super-star,
But these are high school games.

So, please don't knock those boys down there,
They do the best they can;
They've never tried to lose a game,
They're boys, and you're a man.

This game belongs to them, you see,
You're really just a guest;
They do not need a fan that gripes,
They need the very best.

If you have nothing nice to say,
Please leave the boys alone;
And, if you've forgotten your manners,
Why don't you stay at home!

So, please don't curse those boys down there,
Each one's his parents' son:
And win or lose or tie, you see,
To us, they're number one!!

JR. VARSITY and VARSITY VOLLEYBALL

The 1986-87 Volleyball season started under the supervision of Coach Jill Bacuom. Conditioning started the season for two hours everyday for a couple of weeks before our first game, while others were getting back into the swing of school again. It was a struggle to keep our energy level up when there were three matches to be played against a tuff team in the M.A.C. or F.A.C. The record was not indicative of individuals success one such success was the win over the New Knoxville Rangers our first win in the M.A.C. in several years. The Lady Pirates were led by Seniors: Terri Clay, Julie

Boley, Tracy Davis, Patricia Krick, Teresa Now, and Pam Williams who tried their hardest to keep team spirit up though out the unfortunate season.

The J.V. team started out with a few set-backs, but in the end they made the most of their situation meant they had a better season than they had expected of themselves and the coach. As their season progressed each team member learned to play together to make a team. If they keep playing as a team it will be an even better season next year. Good Luck next season.

1986-87 Lady Pirates

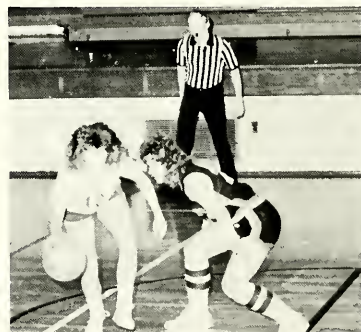

The 1986-87 Mendon-Union High School Girl's basketball team had a good year this year. Although they didn't win many games, they played with heart throughout the whole season. Starting practice in November, the girls had to adjust to their new coaches, Coach Miller, and Coach Sutton. After a month of practice the girls opened their season and continued their good play until the end of the season.

Kneeling: Paula Stant, Sharron Godwin, Shaune Kline, Heide Laux, Emily Ziegenbusch. Standing: Jennifer Fox, Annesa Hamilton, Jill Emans, Holly Steiner, and Coach Ann Sutton.

Boy's Basketball

This year the Pirates went 4 and 17, but the record doesn't reflect how hard the boys worked. Starting the last two weeks of October they were in the gym at 6:00 in the morning for conditioning, preparing themselves for their first game against Crestview. After overcoming many obstacles in the middle of the season the team performed its best at Ridgemoor and from then on they didn't lose their composure. The J.V. record was 5 and 14. They were hurt because key players on the J.V. team were needed to play half of the varsity game and at times were greatly at a disadvantage.

Somebody stop that ball.

The Heckster intimidates the Blue Jays.

Trapped with no place to go.

Girls Softball

The 1987 Mendon-Union High School Girls Softball team completed their regular season with a 5-6 record. They were led by Coach Linda Wilson.

Teresa Now led the team in hits with a batting average of .533. Most stolen bases went to Tracy Davis with Jennifer Kill following closely behind. Sharon Kill came

away with the most RBI's, while her sister Jennifer was voted best defensive player. Kari McGillvary was chosen most improved player for the second year in a row. Although their record was 5-6, the girls ended their season with a feeling of accomplishment and hope for the coming season.

Attention!

Band competitions really let one know how good they are, and the band found out they were winners. Marching only seven woodwinds, fourteen Brass, five drummers, and three flags they did extremely well. When it really came down to it, it didn't matter how many people were in the band, it was the amount of effort and spirit that was put into things. These people are overflowed with effort and spirit. Congratulations and Good luck next year!

UNDERCLASSMEN

For one hundred eighty-one days freshmen through juniors share the same building for seven hours each day. Although activities gravitate toward groups the individual student creates the chem-

istry that makes Mendon-Union unique. Students become involved in daily activities just for the fun of it. This involvement makes our school an unusual place.

Give me that ball!

The Junior Class of Mendon-Union High School is thankful for its educational chances. The class, over the course of many years of work hopes to graduate and use their skills for the betterment of society. During the 1987 school year, they oversaw the planning and building of the 1987 prom — "Midnight Masquerade", nothing that the class did would have been attained without the help of the teaching staff and many friends. The class of 1988 wishes the graduating seniors good luck in the future and thanks them for all the memories.

Sophomore

Getting into the swing of things was no problem for the Sophomores as their second year of high school was soon under way. They faced many new roles and responsibilities.

The classes may have been a little tougher, but the pressures from the upperclassman were not as great. They found that they breathed a little easier when they passed the older kids in the hall, knowing that because they were SOPHOMORES they would not get picked on (or at least not as much).

Many found their sophomore year as an in-between year. They did succeed in finding their place as the year progressed. This was done by closing the memorable doors to the past, while at the same time opening many new doors to an exciting future.

HAIL, ALMA MATER

Hail, Alma Mater,
Fill our hearts with singing.
Colors of blue and gold,
Hear our voices ringing.
Firm is our faith in thee
Through defeat and victory.
Hail Thee, oh Mendon High!

FIGHT SONG — ACROSS THE FIELD

We're the Mendon Pirates
That you hear so much about.
We will show you how to score
In basketball and shout
Rah! Rah! Rah!
We will dribble do-wn the floor.
Then we'll show you ho-ow to score.
Hail! Hail! For Mendon High —
We're the best team in the land.
GO!
FIGHT!
GO! FIGHT! WIN!
V-I-C-T-O-R-Y

Victory Victory Mendon High!
